

# Weather protection roof WPR12

## For the eMH1, eMH2 and eM4 Single wallboxes

The WPR12 weather protection roof was designed for wall installation and to fit perfectly on the POLEMH1, POLEMH2 and POLEM4 Single mounting poles from ABL. The weather protection roof is colour coordinated with the charging poles and cable holders, blending harmoniously into the overall look of the charge point. The functional design of the WPR12 provides additional weathering protection for the wallbox.
